Freelance Profile :
www.malt.fr/profile/mohsineessat

Passionate about web development and constantly looking for innovation, I am a developer dedicated to creating experiences. With solid experience in the design and implementation of effective web solutions, I am convinced that my passion and my desire to learn can bring real added value to your team.

professional & personal experience

Freelance FrontEnd Software Developer
2022 - Today

- FullStack Software Developer
Maison Almas - Website selling handicraft jewelry

I take care of creating the entire structure of the site (landing page, product page and all product and brand information) keeping a clean style. Also I'm in charge of creating the database for customers and the payment system of the site.
